

A dark blue Shelby van is shown from a front-three-quarter view, parked in front of a modern building with large windows. The van's surface is highly reflective, mirroring the surrounding environment. The word 'SHELBY' is visible on the front grille. A blue call-to-action button is positioned in the upper right corner of the image.

Perfection = Shelby Performance + Maybach Luxury

SHELBY proudly announces the launch of its SHELBY-Maybach® series of luxurious automotive interiors and appointments. SHELBY-Maybach® has engaged experienced Maybach designers and interior crafting technicians to create interior landscapes stirring luxurious impulses within the SHELBY-Maybach® product line.

Carroll Shelby loved speed, and he loved innovative, progressive designs just the same. Another addition to the ChinaShelby experience is our selection of exclusive-to-SHELBY custom built family transportation vans with personal appointments in Infotainment selections, video and audio, and personal gaming selections including mahjong and poker tables for your travel enjoyment.

Ford's revolutionary 3.5 litre V6 engine has established itself as the dominate automotive power source internationally producing a core 660 bhp while maintaining CO2 output standards. Adding the Edelbrock E-Force supercharger and recalibration ECB3.5 takes the bhp over 750. Clearly the most powerful family transport available.
